Perfect reliable car, would be great as a first timer or learner car or even just a reliable runner. MOT'd until November 2016. Service history. Some minor little dents and scuff to front driver side and little in rear but does not effect running of the car. Always been a god send for me and looked after well, the dent and scuffs where not my doing, unfortunately down to other drivers :( Passenger front window needs some repair as does not open properly, garage advise would be of low cost to fix this.  
 Has a new Pioneer CD player & radio in car.
