We bought the sofa , the armchairs and the stool about 3 years ago and we absolutely love them, they are beautiful. They were fit for a spacious living , looking gorgeous. But moving, we definitely need now a smaller sofa and armchairs in the living room to free up some space. Besides, we always kept them clean and covered due to the dog and we definitely need something darker and smaller at this moment in time (they are suitable for large living rooms and without too many dirty paws on them).

The sofa is extremely comfortable and spacious (not a sofa bed but big enough for two adults to sleep in) and the armchairs very spacious as well. All the items are in a very good condition, the cushions for the sofa and for the armchairs and also the stool are included in the current price. For all of them, we paid around £2500 at that time, even more, we bought them from DFS.

The sofa does come apart for easier transport and it is very easy to put back together. They do not have stains , are like new , one pillow from one armchair was discreetly repaired only.

The price for these lovely items is £1000, not negotiable. For details (sizes) , please contact me, but only if you are really &nbsp;.
