The Vauxhall Astra is one of our best selling cars here at acar2go and if you are in the market for a stylish practical hatch back you really can't go wrong. This example has a fantastic service history with 6 stamps with the most recent service being carried out right here in our workshop. The Exclusive trim level comes well spec'd but this car has optional extras which included the alloy wheels and cruise control. The lively 1.4 litre petrol engine is a very smooth and economical engine that suits the car well and on a run can achieve a staggering 60 miles per gallon! As well as fuel economy, the tax bill won't break the bank either, as the Astra is only £110 a year to tax.
Buying from a car2go comes with complete peace of mind as we are fully approved by Trading Standards and on the Buy With Confidence Scheme. Aswell as this, every car comes with a no quibble 3 month warranty so if you get a problem with your car within the first 3 months, bring it back and we will fix it for free! Come and see us on London Road, Aston Clinton where your next no quibble used car is waiting.
