Lovely friendly little bundles of fun. They have been Vet checked, microchipped and regularly wormed and flea treated. We have lovingly home reared them with constant love and attention, so they are used to the routine of sleeping through the night, and then during the day experiencing the hustle and bustle of a home with other dogs, cats and children. They love to play, then when worn out, curl up on our laps for a long cuddle. Their parents are also here to see. They are long coated and are various colours, including blue, fawn, tri colour, black. Please ring or text. £550 ono
