Tara is a stunning, forward going, 14 y/o TB X Welsh D who is the perfect all rounder. She has beautiful paces, loves to jump and is very bold, is fantastic on fun rides/XC and has been to Pony Club camp. She is good to hack alone or in company and is never phased by traffic. Not a novice ride and needs a kind sensitive rider. However she is snaffle mouthed, not at all mareish and is 100% to catch/load/shoe etc. Tara has the sweetest personality and is everyone's best friend - she is much loved and this is an extremely sad sale due to University after 3 and a half great years. A 5 * home is essential Comes with full
