Good afternoon. Please see attached the information pack I promised plus two PDF files for 2 lodges we have in stock. We have a few different models on park but these are a couple of examples. If you can bring all the details you have regarding the lodge you currently have at Billing Aquadrome I can help you out in the best possible way. When you come down we'll have a wander around the park where I can point out the different facilities you can use as wells as the different areas we have. I will break the running costs down for you and show you in a few of our lodges based on the requirements you guys have. Below I will list how simple part exchanging is; If you find a lodge and a plot you like here at Southview we can take the payment on the day and sort the paperwork out. You can move in within 7-14 days once we have sorted all the safety tests out. Park Dean Resorts will then take care of everything regarding your lodge at Billing Aquadrome so you won't have to worry about a thing. If you need anything from me in the meantime please don't hesitate to contact me. Thanks Joe 07415142768 074151427...(click to reveal full phone)
