

# HOHNER STEREO 50 POWERED SPEAKER SYSTEM (50 GBP)

Location **South West, Hampshire**  
<https://www.freeadsz.co.uk/x-428583-z>

**HOHNER STEREO 50**  
Compact 50w Stereo Powered Speaker System.

Two aluminium edged clip-together cabinets each house an 8" full range speaker.  
One cabinet also contains the stereo amplifier with volume, balance and three band tone controls.  
Each cabinet measures approx. 38cm high x 34cm wide x 21cm deep (42cm total when clipped together for transport).  
Can be used as a keyboard amplifier, small disco, or portable sound system.  
Includes power lead and extension speaker lead.  
Complete system can be carried in one.
