Location **South West, Devon**

For sale on behalf of my son, BMW 330d 2002, 79000 miles on the clock and in very condition for year. Mot'd til February 2017, tyres are all good and engine has been remapped. There are some age related marks but nothing too noticeable. It's only up for sale because my son has moved house and can't keep it.

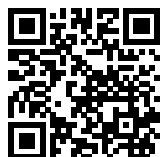

There are a couple of things to note though,
The passenger front window sticks sometimes and the auto box occasionally sticks in gear though I've drove quite a bit and it's been fine with me, but apart from that everything else is good.
£1800 for a quick sale.
