I'm selling my made in Spain rieju mrt 125cc which can be ridden on cbt. It's NOT a cheap Chinese import.

It is a 2015 model and has 1513 miles on the clock, the bike is in mint condition as new and needs nothing, it looks and sounds like a much bigger bike.

It has 2 keys & 2 spare super moto tyres with it, the ones on it now are brand new on/off road tyres.
 PRICE REDUCED £1850 ono.
