

# Experienced gardener available for all aspects of gardening at very competitive rates

Location **London, London**  
<https://www.freeadsz.co.uk/x-428928-z>

I'm a gardener with years of experience within the industry, working in the UK, Australia and New Zealand on small gardens to properties with large acreage including orchards and vegetable gardens.

I've available over the weekend for all aspects of gardening at very competitive prices. I only hold basic equipment but do have access to some if needs be with prices to be discussed dependent on your needs.

Rates start from as low as £15 per hour or a quote can be given for the job.

Send me a message to discuss.
