Helium cabin cases feature the world's best four, silent wheels for the ultimate flexibility around the airport;
 SECURI TECH ZIP is the strongest and most reliable zip in the business for complete peace of mind;
 TSA locking system for complete security;
 Exceedingly premium-looking, with classic DELSEY detailing and engineering excellence, making for an extremely smart and reliable travelling companion.

Slim carry-on luggage

Luggage that can be taken into the cabin when flying with airlines imposing a maximum depth of 20 cm. These dimensions comply with most low-cost airline cabin restrictions (see our overview of luggage standards in the Customer Service section).

TSA Combination Lock

Optimal security for your luggage with a TSA compatible code approved by the US Transport Security Authority (TSA) so that American authorities, using a special TSA key, can check your luggage without damaging it.

Lightweight

Gives optimal comfort during your travel, avoids paying additional charges at the airport and allows you to carry a maximum number of items.

Limited 10-Year Warranty

Limited 10-Year Warranty against defects in material and workmanship.

Carbon fibre reinforced polycarbonate with a Kevlar® inner lining. Luggage is highly resistant to scratches and abrasions.

Respects the standards of many airlines concerning cabin luggage for which the total length + width + height including handles, pockets and wheels must not exceed 115 cm.
