Caravan For Sale By Owner

I have been approached by the owner of this caravan and asked to sell it on their behalf.

It is a beautiful ABI Focus - 3 Bedroom

Inside and out it is immaculate and has been extremely well looked after.

Personal touches have been added but yet it has still been done tastefully and to suit many people.

As you enter you arrive into an open plan lounge, dining area and kitchen area. It is all neutrally decorated and creates the feeling of an amazing space that gives you the opportunity to relax. The seating in the lounge is comfortable and extremely well planned out to make the most of the space available.

The kitchen is a beautiful colour scheme and has light wood colour cupboards which once again creates a feeling of lightness and airiness.
