Scott Pro racing 1990 model from the USA. Stored away in a garage for a time. Tyres inflate, chain rusty but not seized on any links. Some surface rust on 18" frame. Suntour 21 gears and chainset, Shark saddle on alloy post, 26" alloy wheels, 1.95 tyre on Richley front, and 1.90 tyre on Quando rear. Brakes are centre pull and work well. Rides all ok, except gear shift is a bit stiff. Collectable bike for renovation, or for valuable spares. &pound
