7 inch ALBA tablet for sale. The tablet runs on the Android Lollipop operating system. I bought this tablet to access my work Emails whilst my laptop was in for repairs, so it was only used for a few days. The original screen protector is still on. Any marks on the screen visible in the photos are on the protector. Comes in original box with manuals, charger, silicone covers/cases and a 16gb Micro-SD memory card for increased storage. Collection only. This item will not be posted or.
