I"m a fully qualified, experienced and insured bodyworker.
If you are busy during the day and need a massage after work or on weekends I'm able to fit you in. If you are someone that suffers from stress due to work, constant neck pain, shoulders pain, back pain, sciatica, whiplash, old injuries etc or simply looking for relaxation ...massage can help ! I've created a calm and therapeutic massage space with a high quality table - oils - towels. ;
