I am selling my 1.5 manual diesel Renault Scenic its in mint condition and is a fantastic family car, low insurance and great MPG. I purchased the car from my mother in law who had it made to order from SMC Renault in Woking where her family have been valued customers for many years. She ordered this car to the highest specification with lots of additional extras including metallic silver paint, G-3 bronze glasscoat (exterior and interior), Bose pack stereo system, built in TomTom navigation system, Bluetooth phone connection, keyless entry, stop/start button, 6 speed gears, sliding centre console, 17" diamond cut alloy wheels, 4x new premium winter tyres, panoramic glass sunroof, half leather trim interior, Renault boot liner and lots more! It has full Renault service history, low millage (45000) and all invoices receipts to show. Reluctant sale due to company car. Please call for more information or to view on 07949512398 079495123...(click to reveal full phone number) . I do have this car advertised elsewhere. **REDUCED FOR QUICK**
