This guitar sounds fantastic, plays fantastic. It just feels right !! Its got a few blemishes, but just adds to the charecter i feel. Apart from new strings, the heads are new and the pickk-up controls and jack are all tested and ok. It has a BIG sound. I've seen these at more than double my price and well battered condition..but it has to go so my price is as stated unless i get a better offer. Reluctant!!
