For those who enjoy a secluded sleeping area, the 715"s permanent "French" bed provides space for a parallel rear en-suite, creating a division between the living and the private sleeping quarters. The kitchen is situated in the centre of the vehicle with a spacious lounge to the front, which when used in conjunction with the swivelling cab chairs can easily accommodate six people. The Tribute 7 series range with its additional length over the 6 series, gives an enhanced sleek appearance to this already impressive looking range. Along with the attributes of the 6 series, the 7 series ensures even more spacious.
