

Beautiful Upcycled solid wood table (20 GBP)

Location

South West, Gloucestershire

<https://www.freeadsz.co.uk/x-429821-z>

This has been Upcycled to a high standard by students at William Morris College. Very sturdy and heavy item of furniture. We are a specialist college located in Eastington, our students who have learning disabilities have been working in the Upcycling workshop.

They want to sell items to raise money to buy more furniture, paint and even a trip at the end of the year. Our students work closely with support to plan, design and upcycle old items of furniture which need
