FREE, already dismantled, 14' trampoline with safety net poles, that needs new metal spring link hooks around the mat. The frame is ok, but it need a few clamps replacing that hold the net poles to the frame legs. All replacement parts seem to be available on the web. I also have for sale, a recently purchased £70 worth of 14' trampoline safety net, and a new 14' spring cover pad. If you want them they are for sale for £40 the lot. Just take the FREE trampoline if that's all you.
