This is the holiday home with loft living in mind. As soon as you enter the Linear you know that you've come into a home with a real difference. It's chic, monochromatic and minimalist but still retains levels of unrivalled comfort.

It has its own entrance hall with a floor to ceiling mirror, perfect for checking your reflection on the way out to dinner.

The folding leaf dining table enables you to keep your open plan space or open it up when you are entertaining friends. The bench can easily be integrated into the lounge for when you have guests over. The lounge has a sumptuous freestanding L-shaped sofa and the chrome footed feature fireplace adds a real wow factor. The luxe curtains can be swept back to allow the natural light in and to showcase your view.

In the kitchen you'll find designer touches everywhere you look. A contemporary tap, extractor hood and slate effect splashbacks add to the sophistication but plentiful cupboards mean you don't compromise on practicality.

The luxury doesn't end there. The main bedroom resembles a high end boutique hotel. The over-bed lighting and textured wall panel has a cool aesthetic. Not forgetting your own stylish en-suite (2 bedroom model), large second bedroom and high end master shower room, all of which make the Linear hard to beat.
