Many Men and Women Struggle with unwanted hair on body and face, Relying on expensive treatments like laser, electrolysis, IPL could be cumbersome and waxing, shaving and parlor visits could be irritating everyday or everyweek, but now the best for all these problems is using an Natural Permanent Hair Removal Gel called Dr.Me Ping Gel. Dr.Me Ping Gel is an herbal gel which makes the hair root cell to get destroyed due to which there wont be any regrowth of the hair on any unwanted areas. Directions to Use : This gel is to be applied on the areas where hairs has to be removed, after application keep it for 3 hours and then wash it off with soap and water. Follow this procedure for 2 weeks then you could see the area of application will be completely hairless forever.
