This is quite probably one of the nicest examples of Kawasaki's phenomenal ZZR1400. The bike has been meticulously looked after and comes with a staggering amount of extras worth in the region of about £2500 to the next lucky owner, these consist Garmin Zumo and GPS mount, Leo Vince double exhausts, Super Sprox Sprocket set and gold DC chain, Puig tinted front screen, Carbon rear hugger, R&G engine protection, R&G front sliders, R&G radiator guard, R&G Tail tidy, R&G bar ends, Genuine colour coded topbox, Optimate 4 charging unit and ABS. The bike also comes with 3 stamps in the 1st service at 466 mile on the 17.08.12, 2nd service at 3983 on the 27.07.13, and the 3rd service at 7793 miles on the 01/11/2014, the 4th service was only missed due to lack of use and mileage. Both tyres have bags of life left in them and the bike will be given a full annual service and 12 month MOT on its sale and will also come with a national 12 month warranty and roadside assistance, full HPI check and PDI. This is a superb offering and well worth every penny, don't miss it!! For further details please contact David or.
