Kona Lava Dome 29er Mountain Bike 2015 Using the same geometry as Kona's Race Light Kahuna platform, the Kona Lava Dome 29er Mountain Bike 2015 is all about being the ultimate affordable 29-inch-wheel mountain bike - in other words, a boatload of performance at a very reasonable price. Creating mountain bikes that create mountain bikers: it's pretty much Kona's favourite thing to do.

Frame: Lightweight butted aluminium Forks: 100mm Suntour XCT front suspension fork for higher performance Gears: SRAM X4 24 speed for terrain flexibility Brakes: Tektro HDC hydraulic disc brakes for self-adjusting stopping power Wheels: Larger 29" wheels for faster rolling and more traction over rough terrain For sale as no longer needed due to being given a works vehicle In good condition Can deliver
