An Italian Tessuti long Navy Blue Combie Overcoat double breasted 100% wool and new Cashmere, herringbone. A beautiful coat which is in fact lighter than expected but very warm, and very comfortable to wear, is a large fitting with broad shoulder so will fit 48" to 50" chest. Inside pockets both sides and belt. The photos appear to make the coat look lighter, due to flash light taking the photo but did this to show Herringbone pattern. Also Mens leather casual jacket which is 48" to 50" chest size. but I think could even fit 52" chest as plenty of room and very comfortable to wear, inside pockets both sides and front zip and studs, very soft and easy to wear, well looked after and very nice condition. This is a jacket you just want to live in! If your a big man and you want the shoulder space and width I know what its like trying to get a good coat to fit, to many now made in China, and the Chinese think even larger men all like them! This is a real bargain buy and buyer will not be disappointed as will last you a few years.;
