The Bovan Brown or Institute de Selection Animale (ISA) Bown is a french-developed cross between Rhode Island Red and Rhode Island White. They are very docile and lay between 300-320 eggs in the firast year thus making the hens one of the largest egg layers in the world. The ISA Brown crossed with ISA Brown also result in ISA Brown Chicks. Here you can buy day olds for£1.70 and with a minimum purchase of 10
