Hello there, my names Lucy and I have here 2 French Bulldog puppies who are of the chocolate carrier pure breed.  
 They are male and female who are of the same litter. They were with mum until they were 15 weeks to which I have wormed, fully vaccinated and also microchipped. They are beautiful and very intelligent, love to play but also love lots of cuddles.  
 They have been reared with other dogs and also children.  
 Ready today for their forever home.  
 Please feel free to call me for further information and to arrange viewings.
