Black, 5+ owners, The Honda CBR1100XX Blackbird is a useable, comfortable, tidy handling sports tourer but also a ballistic power-house that used to hold the record as the fastest production motorcycle. The Honda CBR1100XX Super Blackbird is sensible and utterly insane in one nicely presented Honda package. One of the best all-round motorcycles out there. The Honda CBR1100XX Super Blackbird's build quality is better than pretty much anything out there on two wheels. ABM flat bar conversion. Comes with a rack, top box, panniers, double bubble screen, headlamp protector and hugger. The North West's finest family run motorcycle dealership, £2,995 no VAT
