

Treadmill (running machine)

Location **South West, Hampshire**
<https://www.freeadsz.co.uk/x-434404-z>

This has been sitting in the garage for ages and comes with free dust! It was in use until put in the garage, it may need attention to get it working, possible loose wire or fuse, although it is in good condition otherwise. It folds but is still quite large as it is not a cheap flimsy model.Free to take.
