This Suzuki VZ1500 Intruder is a nice example of Suzuki top end cruiser line. The bike is in great condition and comes with a couple of nice extras which are back rest and sissy bar and a tall genuine front screen. The bike has service history with its 1st service being completed on the 01/07/2013 at 669 miles and the 2nd on the 08/10/2014 at 3882 miles. It has missed its 2015 service but will leave the showroom with a full annual service and brand new front Tyre. The MOT runs until 2 June 2017 and it will also be backed by a national 12 month warranty and roadside assistance! You can't beat the VZ1500 for pure out and out power and torque its breath taking. Suzuki have also put together an extremely good looking and well designed cruiser that ticks every box from superb ergonomics to blissful smoothness! This bike is definitely worth a look and without a doubt one of the nicest cruisers on the market! For further details please contact either David or.
