BMW 330D M Sport 2004 54 Plate diesel auto step-tronic with sports mode. 109,000 miles and only 2 previous owners quite rare as these cars usually have multiple owners and many more miles. Car has FULL BMW SERVICE HISTORY, Fully Stamped Service Book, all books and manuals presented in a leather wallet plus lots of bills and receipts. Not due a service for another 11,000 plus miles. 2 x remote working keys and a valet key. Car has 4 months MOT remaining and has only covered 3,000 since last MOT which had no advisories (Willing to put a brand new MOT if a sensible price is agreed) These cars have virtually bullet proof engines and are very economical drives like the car has done 1/2 the mileage. Virtually unmarked cream leather with no splits, rips or tears, carpets also very clean and good condition. Very minor age related blemishes on body work, good tyres all round on clean alloy wheels. Viewing highly recommended to appreciate this lovely example.
