Location

London, London

<https://www.freeadsz.co.uk/x-434768-z>

Why not join Leatherhead and District Angling Society for some of the best fishing in Surrey. We manage 4 lakes from 2 different locations together with over 1200 metres of the River Mole at Fetcham and a further 3.2 kms through Norbury Park (a really pleasant piece of countryside with some superb fishing). We run a full match fishing programme and with some excellent leisure fishing make this really true value for money in our opinion especially when you add FREE and reduced price fishing at Willinghurst fishery (Shamley Green) together with unlimited sessions (£2.00 per visit) at Morehouse Farm at Wivelsfield and an Exchange book scheme which entitles you to fish all of Crawley AC waters. The price shown is for existing Junior Members for all other prices and membership forms please check our web
