Single hob induction cooker in good working order. Lot more efficient and time saving than conventional electric hobs/cookers. Sorry to see it go but I no longer need this as we have a gas hob now.

Small crack on the plastic panel as you see in the picture but this doesn't affect the performance of the cooker.

180 min timer
Multifunction
Power level, temperature adjustments
1.8 kwh

Having a clearout. Other stuff also on sale. Please check my other.
