Pomsky puppies blue eyes (1,500 GBP)

Location **London, London** https://www.freeadsz.co.uk/x-434965-z

8 unique Pomsky puppies for sale of various colours. These beauties are blue eyed also bi eyes and brown eyes. They are 9 weeks old and booking are being taken. These puppies have been specifically bred through their award winning breeding of their mother who is a lovely Siberian Husky and daddy being a Fluffy Pomerarian house dog with a great Temperment which has been passed down to these lovely puppies. Each puppy has had a full recorded health check along with being wormed and given all injections that are required. Each puppy will also come microchipped. puppies must go to a loving home. no messers. I have lots more pics and vids if
