i ordered this from pc world in May just gone bought for £549, yes, it is absolutely fantastic, so why am i selling? well, i like to use the viewfinder more than the touchscreen for composing shots, but i find with my glasses on i just cannot see through it properly and i cannot take my glasses off for composing the picture, so i am letting it go, i have taken approx 200 photos, thats it, everything is as new, call 01323 733517 01323 7335...(click to reveal full phone number) , if it does not sell for my asking price i will keep it and give it to one of my family come christmas.
