Pristine condition, around 2 hours use max. No scratches or any other signs of use.

 Charger - unused,
 and USB cable.

The box is in good condition and also has the manual.

Reason for sale is that I am comfortable with another mobile and would like to realise the value in this phone.

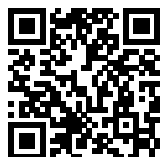

I am based in Eastbourne, but am willing to meet halfway to Brighton if that would help. I am not willing to post, please do not ask.
