For Sale

Honda CB-1 NC27(MK2)

may swap for air cooled bike up to 600cc,i.e.bandit,xj600n,ntv600,a traily,or what do you have?email me.
 it's in good condition mechanically and electrically.

runs rides great,Loads Of Fun to ride.

lots of money spent over the years.has had replacement exhaust gaskets and bolts,replacement radiator and fan,coolant,replacement clocks(actual mileage is 39360).

new choke cable.

new mot(until july 2017).

i have all the old mot's from since i've had it,wich will also proove the mileage.

allways goes through the mot without problems.

has a custom made carbon fibre exhaust(done by one of the previous owners)with DB Killer fitted.

carbon fibre effect,black, rear indicators.

tank was recently vandalized(a couple of areas had the paint chipped off).

i have re sprayed these bits,so doesn't look perfect.

the seat has a little repair patch on the rhs but is great otherwise.

the rear/seat cowlng has a piece missing just where the rectifier is(i think it was done deliberately by one of the preveous owners,to ensure better cooling/air flow for the rectifier,as they are prone to over heating on Honda's).

and the rhs stay is broken off,so it droops a bit.

sprockets and chain are good tyres are good though front tread in the centre is slowly slowly getting

bad. i have had a good look at the front brake caliper and replacement of brake new front master brake cylinder and new front brake switch. i will build a little steel bar to hold the brake master cylinder in place. i have had a new front brake caliper,new brake pads,new brake nipple.

brand new gel battery.

brand new mirrors.

carbs could probably do with balancing but not a problem at all.

i will include the original front brake caliper(seized bleed nipple) and brand new pair of front brake pads. this is a 25 year old bike that lives outside and by the sea,so,of course it's not showroom condition or gleaming clean.
