Hi I have a large 4/5 bedroom 2 bathrooms house in Ealing area of London. Large garden, front garden with drive on a private road not estate. All nicely decorated. Very close 5 minutes less to all transport. I live on a lovely road my house is semi detached. I'm looking to move to Brighton and surrounding area .I would like a large 3 or 4 bed house with own garden. No estates please. Iv lived here 16 more years and been very happy. My kids have grown up but 2 still live at home. So a smaller 3 bed if it's in a nice area and has a garden. My garden is big so a smaller one would be better for me now. This is a lovely house and if I could put it on wheels and move I would. I would consider surrounding areas but not to far from brighton. Please no estates. This house would be great for a young growing family. Most of my family have moved away so I'm hoping it will be me next. This is a lovely bright house close to schools shops transport. All the houses are privately owned. I am housing association. I'm sure if the right family come along they will love this house as much as we.
