Location West Midlands, Worcestershire https://www.freeadsz.co.uk/x-439101-z

Possibly the "Best 1st Big Bike" you can buy So easy to have fun on…quickly. Perfect for the new rider. Light and nimble handling. Enough power to be serious but that legendary V Twin engine delivers it in a building stream of excitement than in huge slabs of terror! A gem of a motor. Riding position fits.(There's an even lower seat option!). We use SFV650 in our training school to equal acclaim from instructors & pupils alike. Can't say fairer… Excellent riding experience. Totally.
