Silver, 1 owner, The Kawasaki ZZ-R1400 is not only the fastest, most powerful motorcycle you can buy, but happens to be an extremely capable all-round machine too. Capable of commuting, two up sporty touring, track days, drag racing, posing â€” almost anything is possible on the big Kawasaki ZZ-R1400. Ultra sports-tourers canâ€™t be track bikes but the Kawasaki ZZ-R1400 copes superbly on the road. With 215kg to carry itâ€™ll never flick as fast as the latest dedicated sports bikes but itâ€™s smooth, predictable and sporty in a road orientated way. The Kawasaki ZZ-R1400â€™s brakes are awesome and itâ€™s plush enough for those European blasts. This has full service history with one owner. Comes with a master key, bar risers, 12 V socket, heated grips, tall screen, hugger, Givi pannier holders, rear carrier, sat nav bracket and hugger. The North Westâ€™s finest family run motorcycle dealership, £6,250 p/x considered
