White, 1 owner, This one comes with a topbox. It was sold new by us and has had one owner. It is in very nice condition. Fun, efficient and compact the Honda SH Mode is a great choice for all those looking for a daily city commuter. The scooter features an elegant design language, plenty of useful storage place and plush suspensions which can deal well with small potholes. Youâ€™ll be happy to know that the Honda SH Mode is also offered with standard Combined Braking System (CBS) which plays a major role in keeping your ride as safe as possible. The Honda SH Mode is propelled by a 125cc, single-cylinder, liquid cooled, SOHC, 4-stroke, 2-valve engine which is fueled by a 5.5 liter fuel tank. The engine generates a maximum output of 8.4kW at 8500 rpm and 12Nm at 5000 rpm. The North Westâ€™s finest family run motorcycle dealership, £2,150 no
