With great sadness I have to find an other home for my 3 year old chocolate labrador, it's no fault of his own just that I have health problems and there not getting any better.
 Buster is a 3 year old chocolate labrador with kc papers, he is a loving, kind and friendly big chap, buster loves other dogs and children.....
 He is not neutered yet but I will be getting him done before he goes to a new family.
 If you are interested then I will be doing home checks and will be needing references aswell
 No time wasters!
