This sampler is more than just a drawing, more than just words... Freddie was a real dog and it's no great secret Freddie was a streetwise critter from the wrong side of the pedigree. This is his story. The sampler comes with The Fay-nights Serial No: Signed and dated produced by the author from the original drawing and prose as first published in the Peace and Freedom Press. Size in 8ins x 12ins already for a frame. Item can be posted if required. Please don't hesitate to contact me for any further information and many thanks for used viewing some of my work. Kind regards, Miggy J. (Author of Fay)
