- Can I sublet my caravan to offset my running costs? Well 64% of our owners choose to do this....WHY? We do the national advertising , key handling , linen changes. If you can remember the last time you

stayed in a hotel, you went to your room and everything was clean and tidy, there were coffee and tea facilities, even a TV, nice and modern. The province was so nice, the service was so good. In July, it was very hot, but maybe it's off peak, the covers were more than enough, your stay was only 6 days, but you can imagine what you can do with it.

You could also call or text to book an appointment with myself, this will give me a chance to show you the families we have to offer you and your family as well as pointing out some shares makes and models of caravans. This appointment will give you everything you need in order to make an informed decision on whether holiday home ownership is for your family.
