I am a Fashion Designer in Lewes, Brighton, and I have a studio, but at the moment I currently work full time so looking for someone who would like to use when I not there, for there own work. Ideally for someone who needs more of a computer space, and not for practical work, as there is not a lot of space. Plus I need someone who is honest and reliable. Please do get in touch its a lovely space for peace to work. All Bills are included in Price;
