I am a hobby breeder of gerbils and I have been breeding them for over 20 years, I have litters most months and if you want a list of the available colours please ask, all babies are well handled daily and are super friendly, these are great little pets and they are virtually odourless too, colours include black, black pied, red eyed honey, nutmeg, nutmeg spotted, agouti, agouti pied, Siamese, Burmese, pink eyed white, dove, lilac, cream, silver agouti, and probably more I have missed out, sometimes I have mottled too, I also have the rarer rex coats which are long haired that is slightly wavy and they are so soft, gerbils are £6 each or 12 each for rex, but I can do deals on groups, £16 for 1 rex and 1 standard coat for example. I sometimes have gerbilariums and tanks for sale. ;
