I have an excellent condition Peugeot Expert 1.9 Van for sale. It has only done 98,000 miles and runs fantastic its got central locking, Garmin Sat-Nav and only had two owners from new. It has a very short MOT until December 2016 and has been Sorn off the road. This Van has been well looked after as you can see by the photos. The only issue is with a grinding as you put your foot on the clutch to change gear (but doesn't affect the running or changing gear :-)) This runs just as you would expect it to. If you are interested then please give me a call on 07957-747128. Other than that I will be checking this site within a couple of.
