The Gay Caravan & Motorhome Club is the longest running UK based club for the gay community; who just happen to share a common interest and own either a Caravan, Tent or Motorhome. We are a club that is run by members for members, who enjoy sharing times away with others throughout the UK and occasionally Europe. We are a sociable friendly club which has been running successfully and growing since 1990, where the emphasis is on our common enjoyment of Caravanning, Camping and Motorhoming. As we are a club for members; every member is encouraged to hold a meet if they are able (although this is not compulsory). Meets can either be as informal as just letting others know that you are on a camp site; to meet up for a coffee and a natter, or you could go all out and arrange a themed weekend as members have done previously such as Cheese and Wine and Halloween fancy dress. Should you ever need any assistance putting on a meet then other members of the club are always here to support you. Most of our social gatherings on our breaks away are informal and relaxed, many members enjoy going on walks with their dogs, sightseeing and visiting places of interest or just meeting up with other members and building friendships. For those of us who just want to go away and put our feet up, chill out and spend time catching up with friends old and new, there is always a kettle on somewhere or a bottle of wine in a fridge. If this sounds like the club for you, become a member and we'll look forward to meeting you in the near future. Check us out: [www.thegcmc.co.uk](http://www.thegcmc.co.uk)
