PhotosBooths provide professional and great-value photo booth hire throughout much of the UK. We cater to all types of events, and provide one of the best services in the country. Whilst we provide photo booths for all types of events, some of our most regular events are weddings. Our photo booths are always a big attraction at any reception, and we have worked in a wide range of different venues, from small intimate venues to large lavish hotels and manors. We pride ourselves on delivering some of the best wedding photo booth hire services and packages in the UK. Our photo booth packages and deals are very affordable. Although our prices are cheaper than most, we provide an exceptional service. Our booths use high end cameras, super-fast printers and the latest software. We also offer a range of inclusions as standard. No need to pay extra for guest books, props boxes, print customisation or a range of other options, as they are included free with all of our packages. PhotosBooths has some of the most experienced photo booth attendants in the UK, with each of our talented booth butlers having a minimum of three years experience. We also ensure that we always carry a range of back-ups, to ensure we can get your booth back up and running, in the unlikely event of something going wrong. For great-value photo booth hire from one of the UK's most trusted providers, look no further than PhotosBooths. For more information, get in touch or request a quote.
