PASSION SPAS - RENEW SPA (FREE DELIVERY AND INSTALL)

The Renew hot tub has been designed for complete comfort and relaxation with three seats including a lounger, you can share laughter and good conversation with family and friends.

There are 3 headrests and an aromatherapy box included so you can either lay back in a lounger or sit back in one of the seats, rest your head and indulge yourself with the strategically positioned 26 hydrotherapy jets provided to soothe, massage and relax your body while watching and listening to the cascading water fountain.

The Renew has a maintenance free exterior cabinet and 14 colour changing waterline LED lights. This hot tub comes with an ozone oxidation system for cleaner water and the filtration system automatically filters your spa water for a sparkling clean shine, requires 1 single cartridge to filter. The spa is run by the Balboa control system which is the industries most trusted and reliable programmable control system.

This hot tub needs a 240V - 20A supply with 30ma RCD protection. All outside electrical work must be completed by a part p electrician installer.

At NO extra cost, we offer a full delivery & installation service which includes a 2 man team, use of a specialised dolly to move the spa in place assuming suitable access, filling the tub, connecting to the

electricity supply (provided by customer) running the spa and giving operating instructions and full on site demonstration. 5 year warranty on our work.
